Breakfast (onboard), Lunch, Dinner

Welcome to Sydney!

Upon disembarking from the Celebrity Solstice, you will be met outside of the baggage hall to start your exploration of Sydney.

This morning depart hotel to take in Sydney City Sights Excursion. Driving through the city centre, we will see many contrasts - from the traditional Victorian architecture of the Town Hall and the Queen Victoria Building to the modern skyscrapers of the business district; from the sweeping design of the Opera House to the modern developments of Darling Harbour. Drive through the Botanic Garden to Mrs Macquarie's Chair (for views of the harbour and the Opera House and bridge) and then head out to the exclusive eastern suburbs, passing Kings Cross en route to Vaucluse and Double Bay. Continue to the Heads, famous Bondi Beach and historic Paddington with its iron railed town houses, concluding the tour at Circular Quay.

**Mrs Macquarie's Chair** (also known as **Lady Macquarie's Chair**) is an exposed sandstone rock cut into the shape of a bench, on a peninsula in Sydney Harbour. It was hand carved by convicts in 1810, for Elizabeth **Macquarie**, the wife of Major-General Lachlan **Macquarie**, Governor of New South Wales.

Next join your Sydney Harbour Lunch Cruise - the best way to see Sydney. This cruise offers a delicious buffet with fresh seafood, a relaxed casual atmosphere and million dollar views of Sydney Harbour - just what Sydneysiders love best. Enjoyed by thousands of visitors every year, this cruise combines a great

sightseeing experience with a delicious lunch. The commentary provides a fascinating insight into Sydney of the past, present and future. After lunch wander up to the open top deck for some spectacular views of the most beautiful harbour in the world, and a close-up photograph of the Opera House gliding by.

On completion of the cruise walk to the Sydney Opera House (approx. 10 min walk). You will have the opportunity to experience the Sydney Opera House in its daily operation. Be guided through theatres, given a fascinating account of the history & architecture of the House. 50 years ago a young Danish architect dreaming of Bennelong Point designed a stunning performing arts centre, destined to put Sydney on the world map forever. The magic of the building, the political intrigue, the real life dramas that go on behind the curtain. Your guide will bring to life the stories and secrets behind this international landmark. See inside the major theatres and halls, where some 2,500 events and performances are staged each year. On completion of your guided tour, transfer to the Sofitel Darling Harbour Hotel to check in and relax before dinner.

The Sofitel Darling Harbour Hotel is a 5 star luxury hotel in Darling Harbour with a signature Infinity Pool. It opened in November 2017 and is one of the premier hotels in Sydney.

This evening we will have our 'farewell to Sydney' dinner.
